If you love good times and the outdoors like we do, you won't want to miss the Rocky Mountain Elk Foundation Midlands Chapter's 3rd annual banquet and fundraiser. We guarantee you a great time supporting a great cause!

This year's banquet is Saturday, July 25, 2009 at Woodmen of the World Lodge. Doors open at 6:00 PM. During the "social hour" you'll enjoy drawings, raffles, games, drinks, and the silent auction. Dinner and live auction will follow.

Since 1984, the Elk Foundation has permanently protected more than 1,100 square miles of critical elk habitat. We've opened up more than 500,000 acres of previously closed lands for the public to hunt, fish and roam. And, we've greatly enhanced another 5.3 million acres of elk country. In addition, the Elk Foundation has funded more than 5,700 projects to promote conservation education and North America's hunting heritage.

In North Carolina, the Elk Foundation has enhanced 425 acres of critical habitat for elk restored to Great Smoky Mountains National Park. Elk once roamed North Carolina, but were gone from the state by 1750. Beginning in 2001, the Elk Foundation and National Park Service released elk into the Park as an experimental population. Today more than 100 elk roam the Park, and wildlife officials say they are here to stay. By joining us Saturday, July 25th, you'll help us do even more.

This year's banquet: Celebrate the Rocky Mountain Elk Foundation's 25th anniversary with us, the banquet will be held at The Woodmen of the World located on Hwy 1 in West Columbia exit 111 off of I-26. It's right beside the Hwy 1 flea market. Come and enjoy a fun filled evening for the entire family. This year will feature even more chances to win at raffles and games!

In addition to funding projects in elk country, fundraising here in South Carolina benefits local conservation education and hunting heritage activities to introduce young people and women to the outdoors, promote hunter safety and responsibility, provide physically challenged individuals with a hunting experience, and involve kids in conservation.
